LAUREL, Md. (AP) — Mayor Harry Harding has described as "just a prank" the explosion of several military practice hand grenades in a Negro neighborhood here during the weekend.

A statewide alarm has been broadcast for a two-tone, 1957 sedan seen speeding through the neighborhood at the time the grenades went off Saturday night. Witnesses said there were two white men in the car.

He said the grenades were a pasteboard variety containing

Area Highway Crash Claims Life Of Man

Alton E. Wright, 36, Everett, was killed instantly and two other persons were injured yesterday afternoon in a two-car collision four miles east of Everett.

Wright died at the scene of the accident, a straight stretch of road on U. S. Route 30. Two youths from Breezewood, Pa., admitted to Bedford County Memorial Hospital, with injuries sustained in the crash, are reported in "fair" condition.

Pennsylvania State Police said Wright suffered a fractured skull, fractured neck, fractures of both legs and internal chest injuries. He was pronounced dead at the wreck scene by J. Ralph Mickel, deputy coroner of Schellsburg, Pa. Admitted to the hospital were Richard Markle, 19, driver of one of the sedans, and Allen B. Bequeath, 17, both of Breezewood.

Police said Markle suffered a fractured nose and laceration of the left cheek. They said Bequeath, riding in the right front of the Markle car, suffered dislocated hips, fractured right arm and a large laceration of his forehead.

An investigation is being continued by police. They said one of the drivers apparently was on the wrong side of the highway. Markle was traveling east on Route 30, while Wright was traveling west. The Wright car was demolished while some \$1,400 damage was done to the other car.

Police said the accident occurred about 3:45 p.m.

Maryland's Farmers, Hit By Drought, See Receipts Dwindle

WASHINGTON, (AP) — Maryland farmers, many of whom suffered drought conditions during the summer, received about 9 per cent less in cash receipts in July than in July last year.

July receipts dropped from \$28,375,000 in July last year to \$25,731,000 last July. The decrease was due to lower crop receipts, since those for livestock and livestock products increased from \$13,071,000 to \$13,531,000. Crop receipts dropped from \$15,304,900 to \$12,200,000.

Seven months receipts for Maryland farmers increased from \$138,153,000 last year to \$140,910,000 this year.

Livestock receipts dropped slightly—from \$94,488,000 to \$94,367,000 — while crop receipts
